

2019 Annual Report

2019 HIGHLIGHT

Lift Indy Neighborhood Designation

In 2019, John Boner Neighborhood Centers, along with our partners at Near East Area Renewal and Englewood Community Development Corporation, were designated as a Lift Indy neighborhood by the City of Indianapolis. This designation commits nearly \$3.5 million in federal Community Development Block Grants and HOME Investment Partnership Program funding to spur revitalization in a targeted geography over the next three years. Projects will address community needs around affordable housing, infrastructure improvements, and the development and expansion of local businesses. In addition, a portion of the funding will be used for training and certification programs to meet the needs of local employers and industries.
