YOU
HELPED MAKE A DIFFERENCE IN 2015

THANK YOU FOR A GREAT YEAR

At John Boner Neighborhood Centers, every moving part matters in the success of our services and initiatives to serve our neighbors. Moving into 2016, we would like to dedicate this year to YOU, because without YOU we would not have made such an important impact on our neighbors and families. From Near Eastside Neighborhood Summits, where your input has formed they way we provide services, to the generosity of your hearts in providing us with your time, talents, and treasures YOU ARE THE REASON WHY we were able to help 13,005 individuals in 2015.

As we prepare to work on through the Indy East Promise Zone, the Center would like to recognize our donors, funders, community partners, and YOU for your ongoing support and dedication as we turn the Near Eastside into a community where neighbors can live, work, buy, learn, and flourish.
