

## Complete your High School Degree!

Our HSE Advancement Program connects you with Adult Basic Education Centers that will prepare you to pass the high school equivalency exam (HSE) and help you reach your educational goals.

**What to expect:** During the program, you'll work with a career coach to **create a personalized education strategy** (including an action plan and timeline), get **access to career training**, and **receive financial incentives** for completing different steps in the process.

Take the first step  
towards reaching your  
education and  
financial goals.
